

**THE MEMORANDUM OF UNDERSTANDING BETWEEN**  
**HUE UNIVERSITY OF MEDICINE AND PHARMACY, VIETNAM**  
**AND**  
**FACULTY OF MEDICINE, FACULTY OF PHARMACY,**  
**FACULTY OF NURSING,**  
**MAHASARAKHAM UNIVERSITY, THAILAND**

Hue University of Medicine and Pharmacy (Vietnam) and Faculty of Medicine, Faculty of Pharmacy and Faculty of Nursing, Mahasarakham University (Thailand) desiring to develop academic exchange and cooperation in education and research. The purpose of this Memorandum of Understanding is to promote scientific and cultural relationships through academic and research collaborations as well as exchange of staff and students between the two institutions.

1. Both institutions agree to promote and develop the collaborations by the following means:

- 1.1 . Exchange of staff members including teaching, providing seminars and conducting collaborative research.
- 1.2 . Exchange of both undergraduate and post-graduate students (including Master degree, PhD degree and Post-Doctoral Training and Fellowship).
- 1.3 . Exchange of visiting professorship both nationally and internationally.
- 1.4 . Execution of joint research projects in the area of Health Sciences.
- 1.5 . Exchange of research materials and academic information.
- 1.6 . Other mutually beneficial projects to be defined from time to time.

2. Details of implementation of any particular exchange resulting from the agreement shall be consulted with each other and develop specific plans for collaboration in any of the ways mentioned above.

3. This Memorandum of Understanding will be effective for a period of 5 years from the date of signing and remain effective, unless either institution shall give at least six months' prior notice of termination in writing. It is further agreed that any decision to allow this MoU to lapse will take consideration the time needed for completion of any project in progress or any exchange visitors to complete the agreed courses.
